

Facing an issue with Remote?

<p>01</p>	<p>Ensure that the remote used is compatible with the fan.</p>	
<p>02</p>	<p>Kindly ensure that the remote batteries aren't dead.</p>	
<p>03</p>	<p>Crosscheck the efficacy of remote keys by using a mobile camera as shown in image. On pressing the keys, If the LED lights of the remote are not glowing then the remote keys are not working.</p>
